

FINANCIAL LITERACY FOR KIDS

- I LEARNED THAT FINANCIAL ILLITERACY CAN BE COMBATED THROUGH FINANCIAL EDUCATION AT A YOUNG AGE
- I THINK IN-PERSON LESSONS ARE MORE POWERFUL THAN REMOTE-BASED LESSONS

- NEXT AUGUST, I WILL MAKE MORE VISITS TO CLARENDON/HOPEFULLY CONNECT WITH OTHER SCHOOLS
- I WILL CONTINUE TO MAKE MORE VIDEOS/EXPAND MY CHANNEL
- BASED ON MY EXPERIENCE, I ENCOURAGE OTHERS TO LEARN ABOUT PERSONAL FINANCE AT A YOUNG AGE!

- I WILL CONTINUE WORKING ON THIS TOPIC NEXT YEAR AS I HAD A GREAT TIME TEACHING MY LESSONS AND BECAUSE I ENJOY LEARNING ABOUT PERSONAL FINANCE MYSELF
